Wandsworth Request for Information - 2021/4797 - Development of Tooting Triangle

I refer to your request for information received on 11/08/2021. Please see the information below in response to your request: -

I would like to request, under the FOI legislation, the total costs which Wandsworth Council has incurred as a result of the continued (over 10 years I believe) drive to develop a football pitch on the top of Tooting Common. What I specifically would like:

1. The total expenditure over the past decade that can be attributed to the planning, procurement, promoting, surveying, legal and any other staff cost associated with these proposals £22,275

2. The profit Wandsworth Council expects to receive from the developers? As stated in the committee paper PAPER NO (wandsworth.gov.uk) and to the Planning Inspectorate, the income will be in the order of £259,000 generated over the 25 year term of the (proposed) contract with the council retaining ownership of facilities, refurbished and upgraded at no cost to the Council (the Council tax payer)

3. Any member of Wandsworth Council who has ties (this can be numbers, not names), directly or indirectly, with the developers or Balham FC, or who has had to recuse themselves from the decision making process due to a conflict of interest? None

I hope this information meets your needs. If you do not understand the information provided or wish to discuss anything further, please feel free to contact me and I, or another member of the team will be able to assist you.

Subject: FOI Request - Development of Tooting Triangle

Hello,

I would like to request, under the FOI legislation, the total costs which Wandsworth Council has incurred as a result of the continued (over 10 years I believe) drive to develop a football pitch on the top of Tooting Common. What I specifically would like:

1. The total expenditure over the past decade that can be attributed to the planning, procurement, promoting, surveying, legal and any other staff cost associated with these proposals.
2. The profit Wandsworth Council expects to receive from the developers
3. Any member of Wandsworth Council who has ties (this can be numbers, not names), directly or indirectly, with the developers or Balham FC, or who has had to recuse themselves from the decision making process due to a conflict of interest.

If the request in item is too large, then I will narrow that down to the latest proposal which has been going on for the past few years.

Thank You,
Michael Walls
