 44. Three Sisters (Ref: CA-45)
 45. Alton (Ref: CA-46)

* Conservation Area with Article 1 Direction in force
Article 1 Directions are made when the character of an area of acknowledged importance would be threatened if anyone carried out their permitted development rights. The direction restricts all or some of the permitted development rights on a site, meaning that a planning application will need to be sought for work which does not normally need one. Further details can be found on the Council's website.

**Wandsworth Local Plan
Policies Map
Adopted March 2016**
