

TRANSFER TO SECONDARY SCHOOL

PREVIOUS YEARS' ADMISSIONS AT WANDSWORTH SECONDARY SCHOOLS

The information below shows how places were offered in previous years at each Wandsworth secondary school. The information shown gives a breakdown by admission criteria on national offer day (1 March or the next working day) and also shows the furthest distance at which it was possible to offer an applicant under the school's distance criterion by the end of August.

This is provided as a guide as to whether your child may be offered a place. Please note that the pattern of admissions can vary from year to year and living within the distance that places were offered in a previous year does not guarantee that a place will be offered in this or future years. Please see the admissions policy for the school for further details of the admission criteria.

Information is also included about the number of independent admission appeals for each school.
