17/06/2024 Variation to the layout of the premises in accordance with plans (drawing number L1) supplied by the applicant such variation to have effect upon the completion of the works as notified to the Licensing Authority in writing. Permitted hours and licensable activities remain as existing.

The proposed refurbishment is to create a interactive digital darts area 'Arrowsmiths' within Hawkins Forge, the alterations comprise:

- * Formation of 4 oches, to include new stud and half height walls to form configuration as shown on the attached plan with new fixed seating
- * New fixed seating as shown on the plan
- * Removal of right hand side secondary bar
- * Removal of bin store in external area and small increase to licensed area

a) General - all four licensing objectives (b,c,d,e) (please read guidance note 11)

[The information provided in this box is solely for information only and not intended to be converted into conditions on the licence.]

We have considered the proposed impact of the variation and do not consider that there will be any adverse effect on the promotion of the licensing objectives because the changes are minor. No further steps will be necessary to promote the licensing objectives and the existing measures will continue.

a) General - all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The introduction and other explanatory information are for information purposes only and not proposed as conditions which are listed separately below.

This is an application for a new premises licence for B1-UG03, 6 Electric Boulevard (Upper Ground Floor), London, SW11 8BJ.

It follows identically in terms of hours of operation, licensable activities and conditions the provisional statement number 2021/314635. The plan attached to this application is for the identical unit that has the benefit of the provisional statement

also. The applicant therefore relies on the relevant provisions in Section 32 of the Licensing Act 2003 in relation to a premises licence which is "in the same form" as the provisional statement.

Sticks `Nç Sushi are a Danish company which specialises in Japanese sushi and yakitori with a Scandinavian twist. They principally operate as restaurants and have a number of existing premises in Central London and also in Oxford and Cambridge.

They operate two in Westminster, both in the West End Stress Area (Covent Garden and Soho), in the Nova Building in Victoria, Canary Wharf, Greenwich and on the Kingçs Road in Chelsea.

Three new premises licences have recently been granted the first which trades on two floors in neighbouring Kingston, the second on Shoreditch High Street as part of the One Hundred hotel in the Shoreditch cumulative impact area and the third in Richmond.

They are restaurant operators principally and in terms of pricing are at the premium end of the market.

They attract and are popular with a large range of customers.

Conditions to be attached to the licence:- See below.

b) The prevention of crime and disorder

CD2 - CCTV Numbers location and maintenance:

1. A closed-circuit television (CCTV) system shall be installed at the premises. The CCTV system installed at the premises

LICENSING OBJECTIVESa) General all four licensing objectives (b,c,d,e)

Have all my staffs well trained and always ask for ID for age verification.

Clear alcohol labels and warning for the alcohol consumption.

CCTV installed throughout the whole shop.

Our alcohol (sake session) would not be reached by the public. Only staff can access the area. Customers have to ask any of our professional trained staffs in order to view or buy the bottles.

b) The prevention of crime and disorder

Staff Training and Management would be included.

Comprehensive Training Programs: Implement thorough training for all staff on legal requirements, responsible service of alcohol, conflict management, and first aid.

Regular Refresher Courses: Conduct regular refresher courses to keep staff updated on any changes in laws and best practices.

c) Public safety

Robust Security Measures ID Verification Systems: Use electronic age verification systems to prevent underage sales.

Security Personnel: Employ trained security staff to manage entry, monitor the premises, and handle any incidents swiftly.

Surveillance Cameras: Install CCTV cameras to monitor all areas of the premises, acting as a deterrent to criminal activities and aiding in incident investigation.

Design and Layout of Premises Clear Signage: Display clear signs regarding age restrictions, behavior expectations, and emergency procedures.

Controlled Access Points: Designate clear entry and exit points to manage crowd flow and prevent overcrowding.

Adequate Lighting: Ensure all areas, especially entrances, exits, and car parks, are well-lit to enhance safety and surveillance.

d) The prevention of public nuisance

Soundproofing: Install soundproofing materials to reduce noise leakage to the surrounding neighborhood.

Using Noise Limitation Devices: Use noise limiters on music systems and schedule noise checks during operating hours.

Litter Management: Provide adequate bins and ensure regular collection of litter around the premises.

Incident and Emergency Preparedness Emergency Procedures: Develop and regularly rehearse emergency procedures for fires, medical incidents, and evacuations.

Incident Logs: Maintain a log of all incidents, including refusals of service and any disturbances, to review and improve policies.

e) The protection of children from harm

Restricted Areas: Clearly define and enforce areas where children are not permitted, such as bars.

Supervision Requirements: Require that children are always accompanied by a responsible adult.

Entertainment for Families: Provide family-friendly activities in designated areas to create a safe and welcoming environment for children.
