

# CYCLE TRAINING COURSES

Wandsworth Council organises and provides cycle training courses at no charge for children and adults who live work or attend school in Wandsworth. Sessions cover cycle safety, handling, road procedure and the importance of wearing bright clothing and helmets.

The council offer adult courses for candidates that are 16 years or above and family courses for all ages, but an appropriate adult would need to take part. These courses usually consist of at least two sessions, each two hours duration, the first of which is carried out at venues offering a quiet, traffic-free area to practice, continuing the next session of supervised cycling on the public highway, depending on the progress of the candidates. Further tuition can usually be arranged with the tutor, directly.

Further information about courses can be obtained from our website [www.wandsworth.gov.uk/cycletraining](http://www.wandsworth.gov.uk/cycletraining) or by telephone (020) 8871 6677.
