

Wandsworth Common

Winter 2018

Ravi Govindia Council Leader

**Beatrix Potter
Primary School,**
Magdalen Road, SW18 3ER
(Please use entrance on Openview)

**Tuesday, February 13
from 7.30pm**

**The council wants to know what you think
about life in Wandsworth Common ward.**

Whether it's services like recycling, street cleaning, parking, education and housing where the council has a direct responsibility – or other areas like policing, public transport and the NHS – we want to make sure that we understand your priorities for your community.

Your three ward councillors Claire Clay, Maurice Heaster and Kathy Tracey will be present along with leader of the opposition, Simon Hogg and senior managers from the main council services.

If you are unable to attend the meeting, you can still submit your questions to the council via the website
www.wandsworth.gov.uk/letstalk.

Your ward councillor report

Greener Streets We're delighted to announce that 49 street trees are being planted in our ward this winter plus a similar number next year. Across the borough more than 1,000 are being planted over the two winters, adding to Wandsworth's 15,000 street trees plus the 60,000 that thrive in our parks and green spaces. If you know of an ailing street tree or a possible site for a new one please let us know.

Godley Gardens Refurbishment Work to transform this space into a family friendly area with exciting play equipment and tranquil space for relaxation will be starting soon. We know that anti-social dog owners have been a problem, so we're pleased that one gate is being replaced with a railing so that dogs will have to be kept on leads.

New Lighting for Windmill Road Acting on a petition from local people we were able to get temporary CCTV put in place until much better LED-lighting was installed, making this area much safer for the many residents and school pupils who walk along Windmill Road to and from Clapham Junction Station.

New playground at Heathfield Road nursery The existing play facilities at this nursery on the edge of the common are being renewed and upgraded. If your child doesn't attend the nursery they can still play there in the afternoons, at weekends and during school holidays.

Quietways These are coming soon with the aim of providing quieter and safer routes for less confident or younger cyclists. We backed Magdalen Road residents who wanted less street furniture, along with lower and fewer road humps on their stretch of this new cycle network.

Springfield Hospital Plans Detailed plans for this major development are now out for public consultation, following its outline planning approval by a Government inspector on appeal. Some local people support the scheme but many object, so it's important that if you have an opinion you tell your ward councillors so they can ensure your voices are heard at the planning committee.

Springfield Park There are a number of ideas floating around on how this important new park fronting Burntwood Lane can be created. These cover organised sports, children's play areas and calmer and quieter spots, but it seems proposals to keep some golf related activity are being dropped. There's going to be a final consultation later this year so please make sure your views are known.

Trinity Road by Wandsworth Bridge After exerting pressure on bosses at Transport for London, your ward councillors are pleased they've finally persuaded TfL to replant its shabby and overgrown central reservation.

If you have questions about this leaflet or require a large print version please call (020) 8871 7520.

Do you have a disability? If you have and require special arrangements to attend, e.g. a signer or provision of a loop system, please telephone Gareth Jones on (020) 8871 7520 in advance of the meeting.
