Wandsworth Grant Fund - Round 10 awards
14 February 2019**

WGF R10 ref	Applicant	Project Name	Brief Summary of Project	Primary Ward	Primary Theme	Grant awarded
6	University of Roehampton - Footprint Dance Festival	Footprint Dance Festival - Community Day	Footprint Dance Festival is run and organised by second and third year BA (Hons) Dance Studies students from the University of Roehampton. The festival is a week long event held since 2011, hosting a variety of dance classes and performances, careers talks, social hubs and film nights. This year we would love to step out to the local community and create a day in our week to integrate it into an exploration of day at the university. We intend to work with a local primary school a Parkinson's group from Queen Mary's Hospital and an elderly group from Regenerate Rise.	Roehampton and Putney Heath	ARTS	£ 500.00
7	English for Action	Wandsworth for Migrants	We aim to reach migrants who can't access mainstream ESOL provision due to their insecure immigration status, low-income or lack of childcare. We provide free crèches when they are needed and when we can source the funding for them so that women with young children can attend.	Latchmere and Queenstown	CCE	£ 1,400.00
13	Chandran Foundation	GetSmart Clubs	Chandran Foundation delivers award-winning tutoring services to key stage 1 and 2 pupils. We are seeking funding to establish our first Get Smart Clubs at St George's COE school, Battersea, Christ Church CE Primary School (Latchmere ward) and Allfarthings Primary School (Fairfield ward). In partnership with the schools, local housing associations and parents, our programme will positively engage children and young people (theme 1) and help them achieve their aspirations and potential (theme 5) through GetSmart numeracy and literacy skills.	Queenstown, Fairfield, Latchmere	CYP	£ 10,000.00
15	Pro Touch SA	Sports & Wellbeing Project – Be the Change	Our aim is to help, support and encourage potential children and young people 4 – 25 to fulfil their dreams in achieving their set goals whatever that may be. We also wish to engage with the wider community and families, who need the support and guidance through personal or family hardship and may be socially excluded in society through no fault of their own such as race, religious, disabilities or social background.	Roehampton and Putney Heath	CYP	£ 7,202.00
16	SENTALK	SEND Parent project	Sen Talk would like to run a parent focussed project over one year that helps eliminate language, cultural and social barriers for families raising children with autism and/ or ADHD attending mainstream education. This will be delivered through 8 early intervention workshops for parents of children pre-diagnosis and early post-diagnosis. These workshops will be targeted at parents of children who are subsequently struggling academically or at risk of falling behind at school as well as children who have experienced 1 or more fixed-term exclusions due to behavioural difficulties.	St Mary's Park	CYP	£ 7,331.00
17	Plogolution CIC	Schools Plogging Clubs	Plogolution would like to go into schools to start school plogging clubs which would run before, during or after school. One of the Plogolution team would go into the schools (primary schools are the main focus) and arrange to hold a presentation in an assembly. This presentation would cover the environment in general, what is currently happening with all our rubbish and the impact it has on our environment, a bit about where our waste goes and the importance of recycling and then finishing with some tips for sustainability and introducing the plogging club.	Borough-wide	ENV	£ 5,130.00

18	Ravenstone Primary School PTA	Ravenstone playground development titled 'Wild area'	The aim of this project is to develop a community garden, natural environmental oasis in the middle of a high-density residential area. We aim to have a growing area for fruit and vegetables, an area for wildlife, a small pond for frogs and also to make an environment to support insects and bird life. The opportunity to be part of and to learn from the garden would be both fully integrated into the curriculum for the children, and would be a focus for out of school activities for children and adults in the school and the community.	Bedford, Nightingale and Balham	ENV	£	7,000.00
19	Southfield Grid Residents Association	Making 'Green the Grid' a self-sustaining project	This 2019 project aims to complete the establishment of the successful 2018 Green the Grid project (tree base planting) into a self-sustaining regular activity - for the benefit of the Southfields Grid residents and the environment. The main activity will be a community planting day end April/May 2019 which will offer some free specially selected plants to residents to plant in street tree bases. We will be encouraging residents to 'green' their front gardens too. We will also seek to develop more local partnerships and relationships with like-minded environmental groups to help sustain the activities and transform the SW18 Southfields Grid into a plant and flower friendly neighbourhood.	Southfields	ENV/CCE	£	1,000.00
20	Swaffham Primary School - Think Outside	Swaffield Outdoor Learning Zone	Think Outside are planning an Outdoor Learning Zone, complete with an "edible garden" and "sensory garden" which will be available to school's children throughout the day and to parents and the wider community outside school hours.	Wandsworth Common	ENV/CYP	£	5,300.00
22	Connaught Opera	"Victorian Vignettes" celebrating the centenary of Queen Victoria.	To celebrate the Centenary of Queen Victoria, we are presenting three concerts at Hampton Court Palace. These will be held in the Clore Learning Centre which has full disabled access. The concert "Victoria Vignettes" will be presented by singers Maria Arakie, Glenn Wilson and their professional pianist Nicholas Bosworth.	Borough-wide	HWB	£	1,000.00
24	Feeding Britain	Wandsworth Community Food Bus	The Wandsworth Community Food Bus will provide good quality, affordable, fresh food to communities in areas of high deprivation in Wandsworth, which have been identified as food deserts or food swamps. The bus will have a regular route around the borough, and will include a social supermarket, a community cafe and a space for community advice and other professional services. The bus will create a festival atmosphere, with events such as community meals and cooking demonstrations.	Queenstown, Latchmere, Roehampton and Putney Heath, and Graveney	HWB	£	2,600.00
27	FEMM	Kick Fit	FFEM is a wellbeing and leadership project that uses the power of sport and education to support the most disadvantaged young females. We focus on supporting those who are the most vulnerable and from high crime areas, therefore more at risk of deprivation, low self worth and offending. We provide early methods of interventions through empowerment workshops, voluntary programmes, accreditations and sporting activities.	Latchmere	YTH	£	4,831.00

28	Generate Opportunities	Generate Talks Up	Generate's mission is to create better days and better lives for people with a disability by working together with them and the people who know them well. It is our intention to provide purpose, develop independence and encourage connections through people, places and activity. We work to achieve this through our three different programme teams; Community Connections, Youth & Social Opportunities, and Employment Support.	Latchmere	YTH	£ 3,600.00
30	Roehampton Football Academy	Roehampton Football academy	The re-establishment of a local football academy to get participants to develop their football skills, get fit and go into good timekeeping and healthy lifestyle.	Roehampton	YTH	£ 3,420.00
31	Streetwise Law	Streetwise Law	Streetwise Law is a programme run by a criminal barrister and consists of up to six workshops covering various topics relating to criminal law, rights and obligations and legal skills. The workshops take place in secondary schools and youth clubs and are delivered to young people between 11 and 19. The areas of law covered include: stop and search, joint enterprise, drugs, knives, gangs and legal issues surrounding social media, such as cyber bullying/online harassment and sexting. The workshops are interactive and encourage open and honest debate.	Borough-wide	YTH	£ 3,500.00
34	Vender's Mechanics	Vender's Mechanics	Vender's Mechanics provides young offenders, ex-offenders and those at risk of offending with bicycle maintenance skills, customer service skills and employment routes through a fully comprehensive training course, supported by Cycle Confident and Spear Resurgo. Graduates of the course have the opportunity to work for Vender's Mechanics as mobile mechanics. These are on-demand mechanics who can be called to anywhere in the borough to fix a bike.	Shaftesbury	YTH/APP	£ 6,050.00
35	Protection Approaches	Our Wandsworth	Protection Approaches is a London-based charity that works to prevent all forms of identity-based violence, from hate crime and violent extremism at home, to genocide and ethnic cleansing abroad. We believe the responsibility to help protect each other from the threat of violence stretches from local communities to the most powerful global leaders. While our Research & Policy programme engages with those who shape and make decisions, our Learning & Outreach projects work with grassroots communities here in the UK and the next generation of decision makers and shapers.	Latchmere, Tooting, Graveney, Furzedown, Earlsfield and Queenstown	YTH/CCE	£ 8,880.00
						£ 78,744.00
