# **Awareness Day Calendar**

**Plan, Promote and Grow  
your Business**

Produced by the Wandsworth Council Business team, this handy guide to key national and international awareness days and weeks – such as National Bike Week, Love your Market Fortnight and National Pizza Day – has been created to help local businesses plan marketing campaigns, promotions and customer engagement throughout the year.

Use it as a practical tool to connect with your audience, raise your profile and make every day count!

Here are some simple ways to get the most out of awareness days:

- **Plan ahead**

Use the monthly overviews to choose the dates that best fit your brand. Preparing early makes promotions smoother and more effective.

- **Create themed offers or menus**

Awareness days are perfect for limited-time deals, special dishes, product bundles, or in-store experiences.

- **Share on social media**

Join national conversations with relevant hashtags, behind-the-scenes content, or quick videos. It's an easy way to reach new audiences.

- **Collaborate locally**

Partner with neighbouring businesses on joint promotions or events—strengthening the local business community and increasing footfall.

- **Engage your customers**

Run competitions, tastings, demonstrations, or loyalty boosts linked to awareness days. These moments help deepen customer relationships.

- **Tell your story**

Use awareness days as prompts to highlight your values, heritage, or team—helping customers feel more connected to your brand.

- Tag the Council's business team so that we can help amplify your posts
