Dear Sadiq

I hope you and your family are all well at this difficult time for city and our country.

As a Wandsworth resident I am sure you will be aware that we were one of the first Councils in the country to roll out a 20 mph speed limit in the majority of residential streets. Our ambition is now to become the first Council in the country to have a 20 mph speed limit throughout the borough. [On 9 June](#) I will be asking our Strategic Planning & Transportation Overview & Scrutiny Committee to approve my proposal to introduce a 20 mph speed limit on all A and B roads controlled by Wandsworth Council.

There are, however, a number of TfL roads in our borough where the speed limit is currently greater than 20 mph. I am therefore writing to ask you to reduce the speed limit on all those roads to 20 mph. It would be extremely helpful to receive your reply by [9 June](#) in order that I can share it with the Committee.

Whilst writing, we are extremely concerned about an increased amount of speeding on some roads in Wandsworth. I am sure other boroughs are experiencing the same problem. As one of your responsibilities as Mayor is to set Police priorities I am writing to formally ask you to make speeding enforcement one of your key policing priorities. I know you care as deeply about road safety as we do, so look forward to receiving details of your plans to enforce moving traffic offences in Wandsworth.

Best wishes

Yours sincerely

Paul Ellis  
Cabinet Member for Strategic Planning & Transportation
