#### Ransoms Dock FPA

1. Mr Eley's Rebuttal identified an inaccuracy in my Proof of Evidence at paragraph 4.61. Here I state that the Appeal Site is the only part of the Ransome's Dock Focal Point of Activity excluded from the tall-building.
2. This is incorrect. The south-east part of the RDFPA is excluded from the tall-building zone.
3. This does not change my evidence my opinions as set out in the evidence.

#### Fulham Gasworks

4. Second: at my 5.113: '... as a cumulative scheme, is the ~~Earls Court Development~~ **Fulham Gasworks** like Lots Road... '

#### Figure 7.20

5. This figure shows the originally submitted scheme and not the current one (for which see CD 1.03, BHTVIA Addendum View 26).
