### Comments

**Type of comment:** Object to the proposal

**Comment:** There are many old and people with serious illness in sheltered housing right next door to your Application that must have been approved already because work has started on the site, this we find strange, we are very concerned as to what people will be living next door and the impact that may have to the health and well being of us all, not everyone living in Minstead gardens has internet access so cannot have a say in your apparent (Application).
