

20 July 2026

Dear Resident,

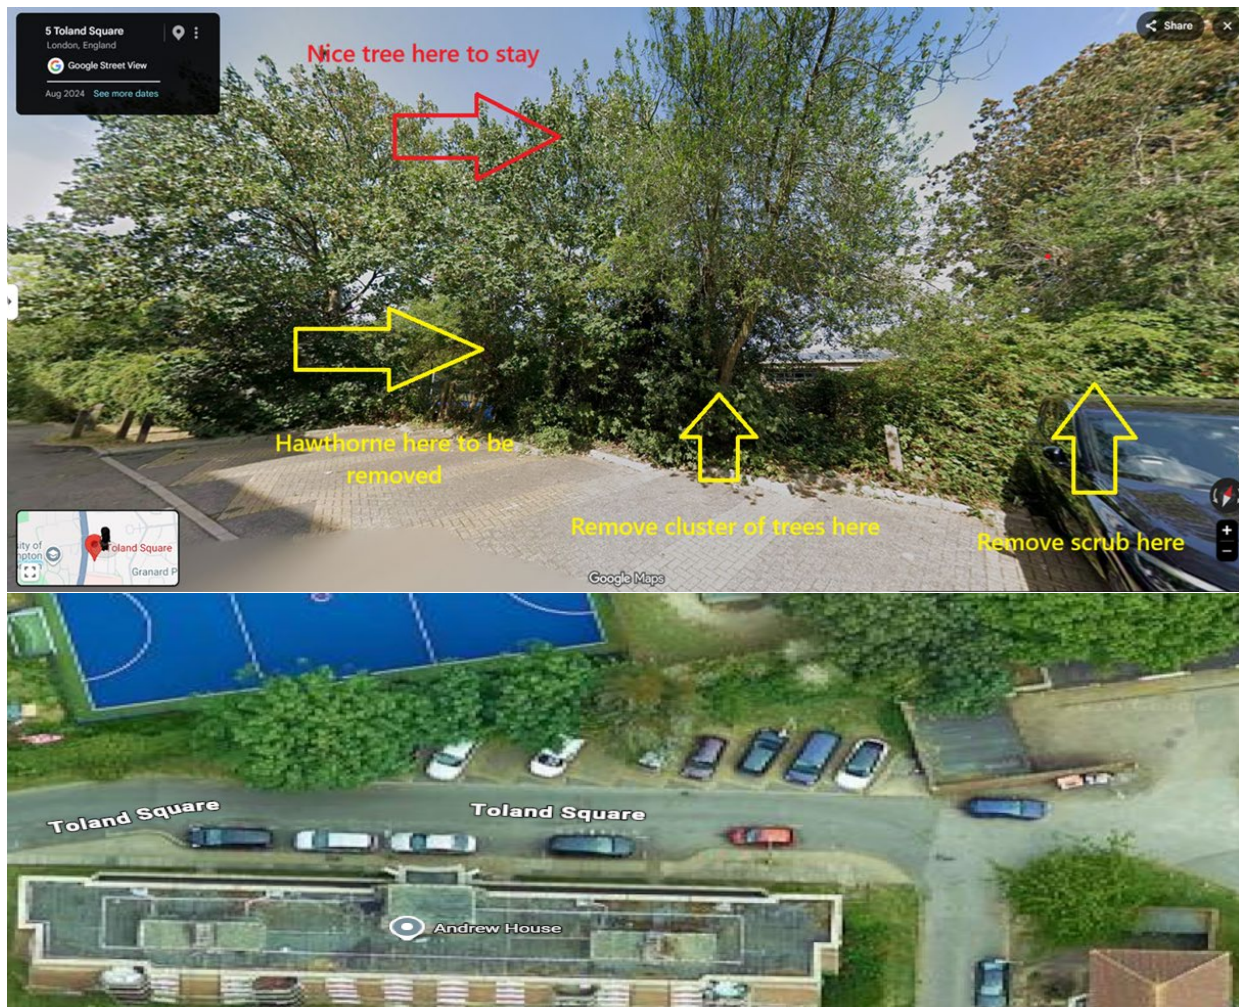

Re: Temporary Parking Bay Suspensions

We are writing to inform you that the parking bays adjacent to the new development will be temporarily suspended. This suspension is required to safely complete necessary works in line with our contract with Wandsworth Council.

The suspension will take place from **20/07/2026**.

We kindly ask you to remove all vehicles from the 7 bays as soon as possible. The planned works for this week include removing specific trees to make way for the installation of new Electric Vehicle (EV) charging points.

Please be assured that new soft landscaping and replacement planting will be completed to reinstate the green area before the end of the project.

Lifebuild would like to take this opportunity to apologise for any inconvenience this may cause and thank you for your cooperation.

Yours Sincerely

JP Scholtz
