Resident Parking Permit – Guidance Notes

PART A - YOUR ENTITLEMENT TO A PERMIT

You are entitled to one resident permit if:

Your principal place of residence is within a Controlled Parking Zone (CPZ) **AND** you are the registered keeper or have sole use of a vehicle.

This vehicle can be either a passenger vehicle (car) **OR** a goods vehicle, the overall height of which does not exceed 3.2 metres (10ft 6ins). Length should not exceed 6.5 metres (21ft, 4ins) or maximum gross weight exceed 5 tonnes. The permit does not cover a caravan, trailer, etc secured to your vehicle. If you do not meet the above criteria you do not qualify for a permit, irrespective of your interest in the property or the vehicle.

Vehicles displaying a valid disabled badge and motorcycles, may park free of charge and without time limit in any permit holder or shared use bay, provided the bay is not suspended.

Housing Estates

The housing and community services department operates its own parking controls on some housing estates and issues free permits to residents. The zones that these are restricted to are indicated by a double alpha code, e.g. AD. The permit you are applying for with this application form is not valid on housing estates, in offstreet car parks or on private roads. The permits issued for the public highway are indicated by an alpha numeric code, e.g. A3 (apart from the zones B and C3e). If you wish to apply for a housing estate permit please contact the switchboard on **(020) 8871 6000**.

Foreign-registered vehicles – If you drive a vehicle that is registered abroad, please visit www.wandsworth.gov.uk/parking or email parkingpermits@wandsworth.gov.uk for further information.

PART B - PERMIT PERIODS AND COST

Details of the permit costs and available periods are shown on the application form. There is a reduction available to those applying for a resident permit online.

Go to www.wandsworth.gov.uk/permits to register and apply online. There is an additional cost for two or more permits in one household. Replacement/duplicate permit applications - £22.80 administration charge will be made. The original permit must be surrendered. If the permit has been stolen you will be asked to provide a crime reference number. If the permit has been lost or you do not have a police reference number, you will be asked for further information relating to the whereabouts of the permit/ vehicle and further checks may need to be carried out. This may delay your application.

PART C - TEMPORARY COVER AND REFUNDS

Temporary cover - The council provides temporary cover to resident permit holders when their usual vehicle has been garaged for repairs or service and a loan/hire car is being used or whilst they apply to transfer their permit to a new vehicle or address. One temporary cover is granted free of charge per calendar year and is valid for a maximum period of two weeks. This period of cover is not extendable and any unused days cannot be 'banked' for future use. It is therefore important to note that after the expiry of this free cover, the council will apply a charge for this service.

If you applied for your permit online the temporary cover can be activated via your online account and you do not need to display anything in your vehicle. Please note, that once you have activated the temporary cover, your resident permit will become invalid. If you are applying for a replacement permit, you should do so as soon as possible to ensure that you receive your new permit before the temporary cover expires.

Refunds - All complete months remaining on your permit are refundable, provided the permit is returned to the council. The refund is calculated from the date the request and permit are received in these offices. A £11.40 administration fee will be charged and amounts of less than £1 will not be refunded. Please note that the surcharge for postal/in person applications is not refundable. If the permit has been lost, stolen or destroyed and cannot be returned, and you are not providing a police reference number, further checks may need to be carried out. Please contact the Parking Helpline or the Permits Team via email for further details.

PLEASE NOTE: No refund will be issued when a permit is withdrawn due to it being fraudulently obtained or improperly used.

PART D - TEMPORARY ONE MONTH PERMIT CRITERIA FOR NEW RESIDENTS

When a new resident is applying for a parking permit they are often unable to provide the required level of proof for a standard resident permit. This non-refundable one month permit is to enable residents to park conveniently with only a minimal level of proof, while they wait for the required documents to apply for a standard permit.

To apply for a temporary one month permit you must provide one document showing your name and the new CPZ address.

This can be any **one** of the following:

solicitor's letter, estate agent's letter, mortgage agreement, mail redirection agreement, removals contract, private tenancy agreement, letter from employer, letter from college, doctors practice letter, bank statement, mobile phone bill, utility welcome letter or similar proof.

Alternatively, you can supply one of the documents outlined in Part E of these guidance notes.

Please note that the one month permit is limited to one person and/or vehicle.

The one month permit is a virtual permit. You will receive a confirmation email once it is issued and you will not need to display anything within the vehicle.
